

ABOUT THIS COFFEE

FEDECOS brings together smallholder cooperative farmers from the Costa Soconusco region of Chiapas, Mexico, producing coffee at altitudes ranging from 100 to 1,800 masl. This natural-processed Robusta carries an organic certification and reflects the federation's long-standing commitment to sustainable, community-driven agriculture. In the cup, expect warm spice notes alongside malt and cereal, with cashew nut richness and a fruity finish of berry and citrus.

Species	Robusta
Harvest	November - April
