

ABOUT THIS COFFEE

Francisco Adolfo Quezada Montenegro's family has been dedicated to coffee production for more than 100 years. They are currently in the fifth generation of specialty coffee production. The varieties at the farm are: Bourbons, Geshas, Pacamara and Paches communes.

What's make this coffee special? The farm is located in the heart of the city of Guatemala. These coffee producers not only produce specialty coffee but also oxygen for Guatemalan capital city, in the middle of 50,000 houses in the area with a population of more than 200,000 people.
