ABOUT THIS COFFEE

This natural process coffee is associated with Gabriel Nunes, a producer from the Patrocínio region in Cerrado Mineiro, Brazil. He works in partnership with his wife Maria Vitória and his brother-in-law José Lucas Aguiar Siqueira, coming from a family of coffee farmers spanning nine generations.

All three are partners in Fazenda Mangabeiras, a farm rooted in a long family tradition of coffee farming. Maria Vitória and José Lucas' grandfather, Edmundo Aguiar, was notably one of the pioneers of coffee development in Cerrado Mineiro during the 1970s.

This family history bears witness to expertise passed down through generations and a deep commitment to coffee production in this region of Brazil.
