

# CAFETALERA HERBAZU

Costa Rica • Vallée de l'Ouest • Naranjo

## ABOUT THIS COFFEE

In 2010, Antonio Barrantes planted the Kenyan variety SL28, registered as "San Roque", on his Cafetalera Herbazu estate.

The production of Cafetalera Herbazu represents around 2000 fanegas, a wooden box used as a unit of measurement in agricultural circles, equivalent to around 55 liters.

|                 |                    |
