LA LABOR

Finca La Labor is located in Zona 18, Ciudad Guatemala, at an altitude of 1500 masl. It is the last coffee farm in the city and Zona 18 is the largest zone in all of Guatemala, surrounded by more than 40,000 households.

“Coffee is all about trust and long lasting relationships. I hope, that I can contribute with my work and, of course with my coffees, to this important goals. Together we will be able to create something sustainable for the whole chain.” Francisco Quezada
