Our LENCA coffee is produced by the RAOS cooperative.

Founded in 1996, RAOS is an indigenous cooperative of 250 members who grow coffee in the Marcala area at an altitude of about 1400 metres. They own about 2.5 hectares each. This cooperative is a pioneer in organic agriculture in this area, it is self-sufficient, oriented towards diversification and ecological and socio-cultural agricultural innovation.

LENCA is a varietal blend of catuai, caturra, tipica, bourbon, pacas and ihcafe 90.

A Fairtrade certification (FLO ID) is required to place an order for this Fairtrade-certified product.
