WASHED

# CEIBA WASHED

Our CEIBA coffee is produced by the COMSA cooperative (Café Orgánico Marcala S.A.). It is a blend of varieties including Catuai, Caturra, Typica, Bourbon, Pacas, and IHCAFE 90. COMSA's approach is based on sustainability. The cooperative supports producers wishing to adopt organic farming, thus facilitating the transition from conventional agriculture to more environmentally friendly production.

COMSA member producers regularly receive training on coffee tasting and cultivation. The cooperative also subsidizes the education of children in the community to support future generations.
