

ORETI — AA — MIXED VAR

Kenya • Province Centrale • Thika

ABOUT THIS COFFEE

Oreti Estate was established by Boyce's grandfather, Peter Allen Harries, after returning from World War II. He and his wife, Rowena, purchased a 36-hectare plot five miles from Chania Estate on the same ridge running down from the Aberdare Mountains. They named it Oreti after the beach in New Zealand's South Island close to where Rowena was born—a Maori name meaning "a place of danger and raw beauty".

Sitting slightly higher than Chania at 1,525–1,650 meters, Oreti benefits from a distinct microclimate that influences its coffee's character. The estate grows a range of varieties focused on rust and coffee berry disease resistance. This coffee is a blend. This AA grade (screen size 18+) coffee undergoes the washed process involves careful hand-picking, pulping, fermentation in water tanks, thorough rinsing, and sun-drying on raised beds
