ABOUT THIS COFFEE

AB grade in Kenya's classification system represents coffee beans sized 16/17 screen. This lot from Oreti Estate offers exceptional value.

Oreti Estate was founded in 1946 by Boyce's grandfather, Peter Allen Harries, and named after the New Zealand beach close to his grandmother's hometown. The estate sits on a ridge below the Aberdare Mountains, with deep red volcanic soils and natural water sources.

The washed process—hand-picking, pulping, fermentation, rinsing, and sun-drying on raised beds—is carefully managed by Boyce's 30-year-experienced wet mill manager and his team of 40 permanent employees. During peak harvest, up to 300 seasonal workers join to ensure timely and efficient processing. Belco has been buying directly since 2017, ensuring full traceability from Oreti to your cup.
