

ABOUT THIS COFFEE

Shantawene coffee, produced in the village of the same name and exported by the DWD company, has a lovely sweetness, a distinctive sign that it belongs to the Sidama appellation.

It is in this renowned region that DWD has for many years been collecting high quality cherries, grown in a fertile environment at an altitude of over 2,000 metres.

This beautiful mug shows the attention DWD pays to exporting quality coffees that highlight local know-how and the richness of the production environment.
